HOME FEATURES

The features you want.
The luxury you expect.

For today's discriminating buyer, a new home's features must consider much more than aesthetics. Convenience, comfort, energy efficiency and enduring quality are top priorities... and the homes at The Ledges at Stewart Creek deliver.

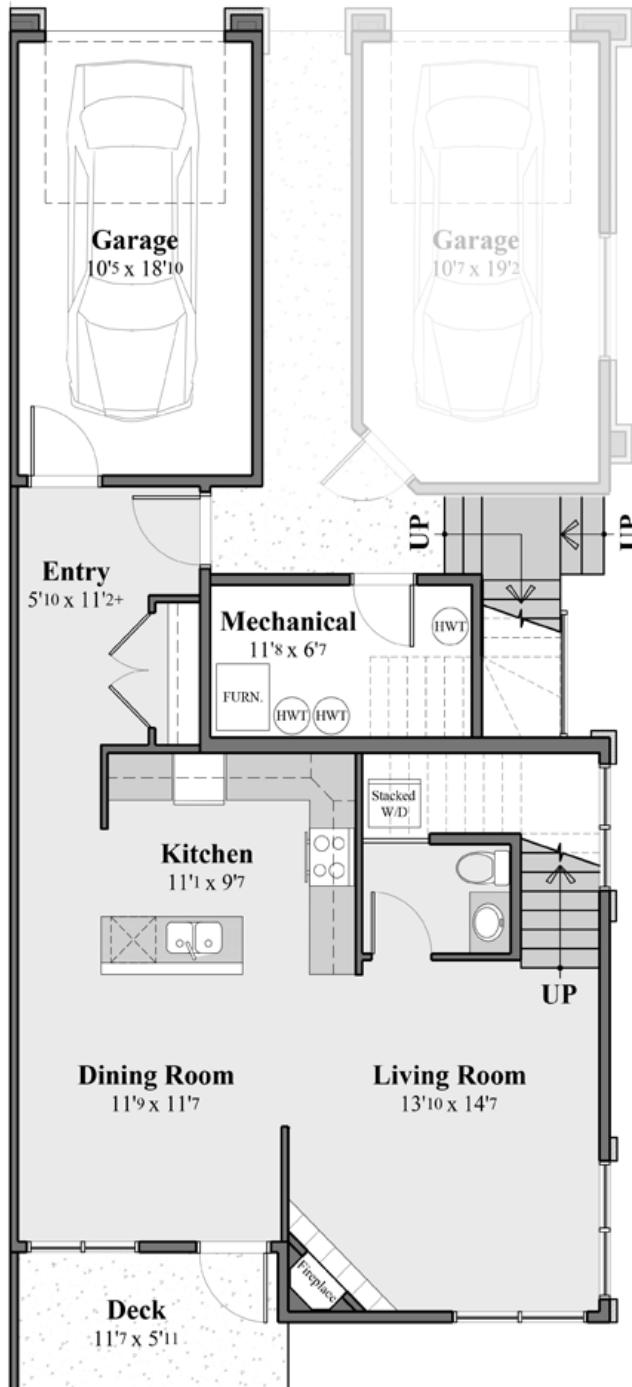

- Private residences with no shared common spaces
- Large decks with fantastic mountain views
- Your own single garage
- Comfort and savings with Distinctively Green Certification (Gold level +)
- Smart wiring for all your present and future needs
- Long-lasting maintenance-free exteriors
- Low condominium fees
- GE Slate kitchen appliances
- In-floor comfort heating on lower level
- Interior design service
- Bradford power direct vented hot water tanks
- Acoustiblok sound barrier in common walls
